TO WHOM IT MAY CONCERN

Crest Accountants have been our accountants and financial advisors for 5 years. We have found them to be reliable and competent and have placed great value on the many suggestions they have made to us in this period which include

- Company and superannuation structuring
- Financial planning
- Budgeting
- Taxation strategy

They have been pro-active to any legislation changes and have advised well in time to make such changes which are necessary for compliance and protection of our company.

We can recommend them to any company wishing to make use of their services.
